

THE INDIAN PUBLIC SCHOOL, MADURAI
ANNUAL REPORT OF THE ACADEMIC ACTIVITIES, 2022-2023

First and foremost, let me thank the almighty for giving us the entire academic year without any threat of pandemic which was the case in the last few years. With almighty's benevolence and with the support of the teaching and non teaching staffs, TIPS Madurai could successfully complete the academic year 2022-2023 with flying colours.

Our school, The Indian Public School, Madurai believes in discovering, developing and inculcating a comprehensive and holistic education, which caters to the physical, emotional, social and cognitive development of children. With an exuberant set of teachers, we were able to achieve greater milestones in ensuring quality education towards holistic growth of the students. Our teachers and students have shown tremendous courage, energy in attaining teaching and learning goals of this academic year.

Academic Achievements

Academic achievements reflect the diligence and skills to perform to the best of one's ability. Our students have risen to the occasion and have brought laurels to our school with their academic excellence. Primary and Secondary students have got 100% pass percentage and they excelled overall in all the subjects.

Club Activities

Clubs are aimed at providing a platform for the children to not only showcase their talent, but also gain more knowledge in the chosen domains. Club periods happen once in a week and we have three clubs, namely Literary club, Eco club and Art club.

The literary club is intended to motivate the students to be proficient in communication skills, oratorical skills and providing the opportunity for students to showcase their literary talents. Literary club activities include Pictionary, Debates, Poetry writing to groom the students to be confident communicators and to enhance their language competency.

Eco club empowers students to participate and take up meaningful environmental activities and projects. This club is intended to nurture social responsibility towards nature among the students. Students were given both indoor and outdoor activities to explore and have great fascination towards our natural environment.

Art club aims to bring out unaddressed shades of student's creativity, this club functions as a free space where students can give shape and form to all their imaginations and unique artistic ideas.

Celebrations

Celebrations are the times where students have given some time off their usual classes where they indulge in activities to promote patriotism, inclusiveness and communal harmony. Our school has celebrated following events :-

Independence Day

Independence day celebrations started with a flag hoisting followed by cultural events by the students. It was a day to love and respect our country and make it a better place for Indians to live and experience the freedom, peace and unity in diversity.

Track Fest

Playground is a place that gifts numerous memories to all the students. It is a place where we have learnt team spirit, competitiveness, perseverance and failures too. Track fest was celebrated on 26th November 2022 for both primary and secondary students. Students participated with zeal and great sportsmanship.

Diwali

Diwali was celebrated in the school with great exhilaration and excitement. Classes and school premises were decorated with charts and other crafts promoting victory of good over evil in commemorating diwali celebrations.

Christmas

Christmas is the festival which inspires the spirit of sharing and caring. A Christmas celebration was held on the school ground. The programme started with information about Christmas and why it is celebrated. A beautiful skit followed depicting the scenes of the nativity of Jesus Christ interspersed with melodious carols sung by the choir.

Pongal

Pongal is the harvest festival of Tamil Nadu, A festival to thank God for all his goodness and mercies and to look forward to a prosperous year. Tips Madurai planned to celebrate the festival in a grand manner, parents were invited with the kids. Special assembly was planned and students displayed their talents through dance, speech and songs. Traditional games and competitions were conducted for the participants.

PA Fest

PERFORMING FEST is the literary fiesta that serves the right platform to blend fun, skill and culture. It's a harmony of our rich tradition with new innovations. It's the day we celebrate our students' talents and admire them performing. Performing Art Fest was conducted on 18th February 2022, the program commenced with a prayer song, followed by dance events of different grades.

SUBJECT ENRICHMENT ACTIVITIES

SEA activities are subject specific activities aimed at enhancing the understanding and skills of the students. These activities will be carried out throughout the term and evaluated at the end of the term. Some of the activities conducted as part of the SEA activities are as follows:-

Conduction of water by stem, Fermentation, Make your own first aid kit, Volcano model, Debate and Discussion, Figures of Speech etc.

FIELD TRIP ACTIVITIES

Field trip is a visit to an area outside of the normal classroom where children can try new things, have different experiences and learn valuable life lessons. Our school has taken students to **Oil mills, Samanar hills, Decathlon, Agricultural Research University, Thirumalai Nayakar Mahal** as part of the field trip. We have ensured students get to learn experience from different facets of the society through the visit to different places.

CO-CURRICULAR ACTIVITIES (CCA)

Co-curricular activities are designed to help students develop their intellectual abilities, social skills, personality development, moral values, and character appeal. CCA events happen once in a week for the students to hone their skills and other potentials. CCA activities conducted for the year includes :-

Elocution, Creative writing, Debate, Poster making, Slogan writing, Moral story telling, Solo song competition, group dance

IN HOUSE TRAININGS FOR TEACHERS

In house training is conducted periodically to guide and address challenges that teachers may be facing within the classroom. They will also be trained to get inputs towards new strategies to overcome those. It is more or less a mutual learning session, where teachers discuss and share their inputs towards new strategies and theories that are introduced in education. It helps the teachers to stay in loop with the current trends of learning and teaching theories.

With this we are signing off for the academic year 2022-2023. We assure you that it's not the end, rather it's just a chapter of the big book. You have many interesting and curious chapters waiting to be read and explored. We will strive hard to make next academic year even more successful with findings and learnings from this year. We need your continued support and valuable insights in ensuring the TIPS flag is flying higher and higher.
