# About Us

The Indian Public School (TIPS) – Madurai is located in an easily accessible Madurai – Sivaganga highway. The campus with its environment friendly modern architecture has a world class academic and sporting infrastructure. Located in a peaceful surrounding with nature satisfying the crucial learning needs of the students in today's world, it provides the best sustainable infrastructure for students. Our school strives for academic, social and personal success and ensures education that is challenging and rooted to traditional core values.

At TIPS, a sense of determination and the strength of will power are encouraged to make learning relevant and rigorous. Moreover, the joy of participation in many activities of the school is virtually enhanced by emphasizing 'events' and not 'competition'. The state-of-the-art infrastructure adds value to the teaching learning philosophy of TIPS by providing various learning spaces for dynamic learning.

## Mission

To nurture inquiring, knowledgeable and caring young lifelong learners who are engaged citizens of our world through intercultural understanding and respect.

## Vision

At TIPS we believe in each individual to develop into a Global citizen who has knowledge, compassion, leadership and are empowered to stand up to the challenges to understand our world and improve conditions for local and global communities.

# Our Visionary Speaks

As we join hands in our determined and diligent endeavor into this noble journey, I would like to stress upon our vision and mission that strives to nurture inquiring young minds into holistic citizens, who evolve responsibly and respectfully in a global context. Our pedagogical team is committed to our institution's philosophy in providing an environment that is conducive and encouraging for every student to explore and grow with all possible opportunities. Our consistent endeavors, provides the latest and best to our students ,keeping abreast with the global educational changes and requirements.

As pioneers with long standing trust and confidence, holding testimony from our group schools across southern India and abroad over a decade, I assure you that your dreams and aspirations for your ward shall be fulfilled. Together we can provide a qualitative and memorable journey that will ensure every student to fly higher and strike deeper.

**– Mr. Ashok Kumar  
Chairman**

## Nurturing Intelligence

TIPS is an institution that respects an individual's need to experience and learn in their way. The institution helps in preparing the students for the future. At TIPS the child's social and emotional needs are fostered by engaging them in a broad spectrum of learning events, thus empowering them to meet the twenty-first century's challenges.

## Academics at TIPS

With a distinctive academic programme, TIPS incorporates contemporary teaching and learning methodologies to open up opportunities for life beyond school. It offers:

- Globally recognized curriculum
- Inquiry based learning
- Differentiated instructions
- Skill-based education
- Scholarly resource centers
- Exploring beyond classrooms
- Balanced inclusive education
- Hands-on, minds-on experiences

## Education

The Indian Public School, Madurai, implements an enriched, integrated and an inclusive curriculum from Kindergarten to Grade 8 by experienced, trained and efficient facilitators. The curriculum is well planned, graded and innovative as per the educational guidelines.

Our young minds are provided with a comprehensive academic curriculum supported by a system of instructions that encourages the thought process and reasoning, which trains the children to be logical, analytical, critical, creative, innovative and communicative.

The school infrastructure is aesthetically planned, well ventilated, providing an environment which is conducive to learning and development. The school believes in reducing the tedium and monotony of the routine classroom pressures, so that the essential learning remains an exciting & happy experience.

## KINDERGARTEN TO GRADE 8

With the spirit of the interdisciplinary approach aligned with NCERT curriculum and following the mission of TIPS, the kindergarten, primary and secondary school provide a curriculum framework that encourages students to embrace and understand the connections between traditional subjects and the real world to become reflective thinkers.

We strive to focus our energies on guiding students to become powerfully literate, well rounded academically and responsible first to themselves then to local community and finally to the global community. With us, in addition to the core subjects of Math, English and Science, students get the opportunity to learn Tamil/ Hindi, Performing Arts/ Visual Arts and Physical Education.

When advantageous and appropriate, we take education outside of the classroom to involve students in experiential learning by way of field trips, social responsibility awareness and other outdoor activities

# Enhancing Experiences At TIPS MADURAI – The Facilities

## The Reading Room (Library)

A well-equipped, air-conditioned and computerised library, the repository of information doesn't limit itself to only books. Video library, DVDs, CDs, periodicals are updated periodically. The library also has a mini theatre.

## Experience and Learn (Science Labs)

Full-fledged exclusive labs for subjects like Mathematics, Physics, Chemistry and Biology and Composite Lab provide the opportunity to learn through hands-on experience and deepen their scientific knowledge

## Learning Lounge (Classrooms)

Digitised classrooms with the state-of-the-art-technology help students to collaborate or learn individually and engross in productive discussions.

## Fun Zone (Play Area)

Outdoor and Indoor play areas provide much-needed exercise for children. The early, primary and secondary year students can access the outdoor play area and can enjoy and learn at the same time. Our school in Madurai is home to outstanding sports facilities, geared up to get aspiring sportsperson and great team players in future.

# Enhancing Experiences At TIPS MADURAI – The Facilities

## Master Chefs (Cookery for KG)

TIPS KG kids love to be in the kitchen, it makes them feel important and grown up because they believe the kitchen is reserved for "Elders." Giving them a few tasks to perform helps to build their confidence and begins teaching them about kitchen safety. As they get older they become more comfortable around the tools and foods of the kitchen. Each of our cooking lesson levels has appropriate tasks per age for kindergarten

## Mind Body Connect (Music and Dance)

We believe that it is essential that music must be taught throughout the curriculum, and not just in separate areas such as orchestra and tuitions. Dancing contributes immensely to the personal improvement of the child and thereby enhances all types of skills that are required for better education. We offer learning in Indian classical music and Indian classical/western dance forms as an integral part of the curriculum.

## Cyber Space (IT Lab)

An ample number of computers are available at the student's disposal to explore and experience learning beyond the classroom. We encourage the concept of 'Search, read and infer' by providing an infrastructure which meets the student's Information Technology needs.

## Paint your dream (Art Zone)

Art Zone is a tranquil place for the students to be creative and challenge the limits of their imagination. This space offers students to create artworks which are often displayed around the school and in exhibitions.

# Enhancing Experiences At TIPS MADURAI – The Facilities

## Door step pick up and Drop (Transportation)

TIPS Madurai takes utmost care and responsibility in ensuring the children are transported safely from home to school and vice versa. The school takes all necessary measures to address the concerns of the parents while making the arrangements for commutation of the children.

## Nutrition and Wellness (In-house Kitchen & Fine Dining)

At TIPS Madurai, the Food & Beverage department takes immense care in preparing and serving luscious fresh food which is the right mix of health and happiness. The trained chefs of TIPS understand the school's needs and plan and deliver everything, right from sourcing fresh stocks to serving a piquant spread.

## Emergency care (Infirmary)

The facility at TIPS Madurai is well equipped to treat minor injuries, allergies and illnesses effectively. Rest, being one of the significant remedies for any illness, beds are provided for children to recuperate. Nearby hospitals are accessible for emergencies.

## LIFE SKILLS

TIPS organizes various competitions, exhibitions and expos for the students to show their skills and talents as speakers, inventors, entrepreneurs, artisans, musicians and many others.

## FACULTY TRAININGS

We believe in preparing the facilitators to teach the next generation students. Faculties participate regularly in school and workshops to update and stay connected with the latest in education. These sharing sessions provide the energy to take the students to the next level.
